

wives before the fire, and before the coming up stairs, put something into her pocket; after the fire was put out, Mary Shaw No. 3 stated that the fire was occasioned as sworn by Murphy; some of the girls said they should all be discharged on account of the fire; when Mary Shaw, second stated if they were all turned out, it would be found out before '2 o'clock who did it, and if she was turned out she would acknowledge who did it, and said she could give a very good guess about it; but the accused told me they were going away to join their husbands, and Mary Shaw, has threatened that when she did go away she would throw me out of my home.

Champlain Biessell, one of the firm, sworn.—After the fire was extinguished, I found no b's girls locked in the back office, and on being questioned, abut the fire denied he had any knowledge of it, and had been the only person who had been in the rear of the building where the damage had been done.

The testimony here closed, and the prisoners were held for further examination.

John C. O'Neil, of Akron.—George Werner, of 164 West Twenty-seventh Street, was secretary attached on a charge of having feloniously set fire to the house, which is known as a cigar shop. About twelve o'clock on the night of fire he took up in the place, when Mr. J. E. Johnson, his employer, was there, and other persons, including broken windows, for the purpose of extinguishing the fire, when they discovered a veritable and three carloads piled on the other, and saturated with camphene or some other liquid, and was prepared to burn in the house at the time, and Mr. Werner's efforts to help him out, he was taken by Justice Clarke, and remanded to the police court, and remained the case to the next day.

Sussex Drygoods. Artists Warrant were issued by Justia Stewart, upon the complaint of Thomas T. June, of 32 Bowery, for the arrest of Mr. Reeves, owner of the Drygood and Candy store, 118 Bowery, Mr. Frank, 118 Bowery, and Mr. Weston, 132 Bowery, for the arrest of Mr. Thompson, who is engaged in the manufacture of thousands in all parts of the world protein is the only reliable dye known.
